I'll Be Alright

Amber

Amber:
I'll be alright
I'll be ok
Baby
As long as I have you
I'll be alright
I'll be ok
Baby
As long as I have you

Guy:

When your living alone forever Your life can seem like a dream And when you don't trust anybody Its hard to let their love in Why am I trying to fight it? I'm not so sure what to do It feels to strong to deny it All I can think of is you

Amber:

I'll be alright
I'll be ok
Baby
As long as I have you
I'll be alright
I'll be ok
Baby
As long as I have you

Guy:

It can get so cold in the city
When your walking the streets all alone
I can feel thats somethings missing
It's hard to change what you know
Why am I trying to fight it?
I'm not so sure what to do
It feels to strong to deny it
All I can think of it you

Amber:
