

I'm Free

Amber

I am a true, true woman
with a clear face and a strong view
You can try me 'cause I stay in balance
because I have my own crew

I don't care who likes me or not
I don't care what you see because I'm free
because I'm free
I just want to be myself
I don't owe you because I'm free

I am somebody else
SO respect me for what I am
NO body should dictate me and my mind
For nowhere I stand

I don't care who likes me or not
I don't care what you see because I'm free
Because I'm free
I just want to be myself
I don't owe you because I'm free

Free to live
Free to need
Free to love
Free to bleed
Free to speak
Free to cry
Free to die

I don't care who likes me or not
I don't care what you see because I'm free
Because I'm free
I just want to be myself
I don't owe you because I'm -
Yes believe me fore I'm-
Don't you know because I'm
Free
