

Move Your Body

Amber

Move your body, baby, move your body
Move your body, baby, move your body
Move your body, baby, move your body
Move your body, baby, move your body

Turn the beat around
Just be what you want to be
Let your body flow
Dancing free 'til extasy

Ladadadee da dadada
Ladadadee da dadadum dumb dumb
Ladadadee da dadada
Ladadadee da dadadum dumb dumb

Feel the heat of the night
Come on we're having big fun
I want to see you sweat
Boy you are the only one

Ladadadee da dadada
Ladadadee da dadadum dumb dumb
Ladadadee da dadada
Ladadadee da dadadum dumb dumb
Move your body
Move your body
