

# Push It To The Limit

Amber

Push It To The Limit  
Walk along the razors edge  
Don't Look down, just keep your head or you'll be finished

Open up the limit  
Pass The Point of no return  
Reached the top but still you've got to learn how to keep it

Hit the wheel and double the stakes  
Throttle wide open like a bat out of hell  
You crash the gate's  
(crash the Gate's)

Going for the back of beyond  
Nothing going to stop you, there's nothing that strong  
So close now your nearly at the break  
So push it  
Ooh yeah

Welcome to the limit(Limit)  
Take 'em baby one step more  
Power games still playing  
So you better win it

Push it to the limit  
No one left to stand in your way  
You might get careless but you'll never be safe  
Why it's the limit

Welcome to the limit(limit)  
Standin' on the razors edge  
Don't Look down, just keep your head or you'll be finished

Welcome to the limit  
Push it to the limit  
The limit  
The limit  
The limit  
The limit

Push it to the limit  
The limit  
The limit  
The limit  
The limit
