

Heart To Heart

Ambrosia

Heart to heart
Soul to soul
Feeling lost
Everywhere I go

Love to love
Or hold to hold
Choose your cost
Be it pain or Be it gold

Ain't there nothin' In this world You can count on?
Ain't there nothin' In this world to believe?
Save a gypsy's song When she's singin'
With a violin sweet?

Heart to heart
Soul to soul
Feeling lost
Everywhere I go

If only, my love,
You would try, love,
You could reach me
Long enough to teach me

All in time, love,
Will we find love
But it taunts me
You don't seem to want me
Why does your love haunt me
Everywhere I go?

Heart to heart
Soul to soul
Feeling lost
Everywhere I go,
Everywhere I go
