

## Fucking Flesh

Amduscia

Let me feel your skin  
Let me smell your mouth  
I wanna touch your senses  
I wanna see your heart inside

It's a dream your love is not enough  
1, 2, 3, let`s get out and fuck

Open your eyes and soul  
Open your heart and feel  
It's the same the love is fuck  
It's a dream, stupid just fuck  
It's a dream your love is not enough  
1, 2, 3, let`s get out and fuck

It's only suffer  
It's for only suckers

It's a dream your love is not enough  
1, 2, 3, let`s get out and fuck

It's only suffer  
It's for only suckers

It's a dream your love is not enough  
1, 2, 3, let`s get out and fuck

It's only suffer  
It's for only suckers  
I don't want the love anymore  
I just feel you inside
