

What do you wait for? flay me  
i don't want to be a human  
to implant all the force  
i just wanna be a fucking war machine

Destruction, when creating the biomechanical  
my creation, perfection towards human  
information in corrupted limited circuits  
and now that you can see it  
would it be that you believe

What do you wait for? flay me  
i don't want to be an infected human  
to implant all the force  
i just wanna be a fucking war machine

destruction, towards human  
technology extinguishing human
