

# Kill Inc. Motherfuckers

Amduscia

My Soul is broken now  
Can I Feel?  
My Empty Heart just wants to Destroy  
I Can repeat these things all Day  
But I won't try to save Your Day

Killing Motherfuckers  
Kill, Inc., Motherfuckers

Killing Motherfuckers  
Never Stop  
Everything must be Insane

Destroy your Enemies  
Everything's inside me?  
Don't be weak  
Take the Power in Your Hands
