A little girl i was looking at a magazine
Wonderin' why i could never find to many girls that look like m
e
All i saw was hair so blonde and eyes so very blue
And the words under the picture said and you can get this look
to
They cannot define beautiful to me
Someone elses eyes don't see what i see

Someone elses eyes don't see what i see Followin like i'm blind just won't do for me God made me just fine that's why i got to be Chorus Ini, ini

Some people talkin bout when judgement day will come Looking down upon those not down with their religion You must believe in all they say and all they do And if you don't then heaven's gate's are closed to you I do not subscribe to their philosophy I don't think my god wants them judgin me Followin like i'm blind just wont do for me God knows what's in my heart That's why i got to be chorus: Ini, ini
