

## Oblivion Stereo

Amen

I cut myself  
I cannot stand this body in this promise land  
Calling out for remedies in family seminars

So wouldn't you, wouldn't you  
Let your country die here?  
Wouldn't you, wouldn't you  
Settle down?

We're living in stereo  
We're shooting in the discos  
Oblivion stereo  
We're shooting in the discos  
Seminars in stereo  
Seminars at the disco  
Seminars in stereo  
Seminars at the disco

We spend our lives give a fee meal  
We wash but still we cannot feel  
We carry all the homeless deals  
We sit here catatonic!  
Wouldn't you, wouldn't you  
Let your country die here  
Wouldn't you, wouldn't you  
Settle down?

We're living in stereo  
We're shooting in the discos  
Oblivion stereo  
We're shooting in the discos

Seminars at the disco, selling ours!  
We're just livin'
