

## Cornwall Blank

America

I've been down to the water  
I've been on top of the world  
Somebody should come and see me  
Somebody should give me the word

'Cause I don't know how many more  
I don't know how many more  
I don't know how many more to see

Sometimes the free thoughts clash  
Sometimes I see through the grass  
Sometimes the light begins to dim  
Somebody should come and be me  
Somebody should come and free me

'Cause I don't know how many more  
I don't know how many more  
I don't know how many more to see

Oh darlin', darlin', I always wanna see you  
Oh darlin', darlin', I always wanna see you

I cannot learn much more life  
I cannot see much more  
Somebody should stop the new sight  
Somebody should close the door

'Cause I don't know how many more  
I don't know how many more  
I don't know how many more to see

Wrapped in a blanket, lyin' in the snow  
Feelin' like the men felt a long time ago  
Goin' to find me a home  
Goin' to build it with my hands  
Can't you see there's food to be grown  
Got to dig up, dig up the land
