America

I've been down to the water
I've been on top of the world
Somebody should come and see me
Somebody should give me the word

'Cause I don't know how many more
I don't know how many more
I don't know how many more to see

Sometimes the free thoughts clash
Sometimes I see through the grass
Sometimes the light begins to dim
Somebody should come and be me
Somebody should come and free me

'Cause I don't know how many more
I don't know how many more
I don't know how many more to see

Oh darlin', darlin', I always wanna see you
Oh darlin', darlin', I always wanna see you

I cannot learn much more life
I cannot see much more
Somebody should stop the new sight
Somebody should close the door

'Cause I don't know how many more
I don't know how many more
I don't know how many more to see

Wrapped in a blanket, lyin' in the snow
Feelin' like the men felt a long time ago
Goin' to find me a home
Goin' to build it with my hands
Can't you see there's food to be grown
Got to dig up, dig up the land
