

# I Need You

America

We used to laugh  
We used to cry  
    We used to bow our heads, then  
    wonder why  
But now you're gone  
I guess I'll carry on  
    And make the best of what you left to me  
Left to me, left to me

I need you  
Like the flower needs the rain  
You know I need you  
Guess I'll start it all again  
You know I need you  
Like the winter needs the spring  
You know I need you  
I need you

And every day  
I'd laugh the hours away  
    Just knowing you were thinking of me  
Then it came  
That I was put to blame  
    For every story told about me  
About me, about me
