

I Need You

America

We used to laugh
We used to cry
 We used to bow our heads, then
 wonder why
But now you're gone
I guess I'll carry on
 And make the best of what you left to me
Left to me, left to me

I need you
Like the flower needs the rain
You know I need you
Guess I'll start it all again
You know I need you
Like the winter needs the spring
You know I need you
I need you

And every day
I'd laugh the hours away
 Just knowing you were thinking of me
Then it came
That I was put to blame
 For every story told about me
About me, about me
