

Lovely Night

America

It's a lovely night
It's a lovely night
Well, the sky is clear and the stars are bright
It's a lovely night

But I'll go lookin' for the fallin' rain
Keep on movin', keep on playin' that game
Let's go lookin' for the fallin' rain

It's a lovely night (It's a lovely night)
It's a lovely night (It's a lovely night)
Well, the sky is clear and the stars they are bright
It's a lovely night (It's a lovely night)

But I'll go lookin' for the fallin' rain
Keep on movin', keep on playin' that game
Let's go lookin' for the fallin' rain
On this lovely night
This lovely night
On this lovely night

On this lovely night
This lovely night
On this lovely night
Wo ho ho ho ho ho, this lovely night
Wo ho ho ho ho ho, this lovely night
Wo ho ho ho ho ho, this lovely night
Wo ho ho ho ho ho, this lovely night
