## **Right Before Your Eyes**

America

Every day I sit beside you On the bus to Madison Avenue Work in the big gray store With the revolving doors

You don't even know my name I guess that I'm to blame Don't know the right things to say So I pretend away

That I'm Rudolph Valentino Pull up in my limousine Oh, won't you come in out of the rain Things'll never be the same

And then just like Greta Garbo You stare like there's no tomorrow And you'll know what I'm thinking of Right before your eyes I fall in love with you

Do, do, do ...

Today I'm done with games (Today I'm done with games) Gonna ask you for your name Say I've been watching you I even know what you do

Maybe today I'll tell you (Maybe today I'll tell you) I've found the nerve to sell you On a guy like me Who wishes that he could be

Your Rudolph Valentino Pull up in my limousine Oh, won't you come in out of the rain Things'll never be the same

And then just like Greta Garbo You stare like there's no tomorrow And you'll know what I'm thinking of Right before your eyes I fall in love with you

Do, do, do ...

Right before your eyes I fall in love with you Right before my eyes you'll say you love me to

Rudolph Valentino I pull up in my limousine Oh, won't you come in out of the rain Things'll never be the same

And then just like Greta Garbo You stare like there's no tomorrow And you'll know what I'm thinking of, oo
