

# Someday Woman

America

Someday woman, someday will come  
Someday woman, we'll get along  
Well it's easy to say I'm right  
And so easy to see I'm wrong  
Someday woman, we'll get along

Someday woman, we'll understand  
Someday woman, I'll be your man  
Well it's easy to say I'm right  
And so easy to see I'm wrong  
Someday woman, we'll get along

Someday our hearts will come together  
We'll live this dream forever  
We'll see all we've been through  
Someday for me and you

I keep hopin' someday soon will come for me  
I keep lookin' there's too much to see

Someday woman, way down the line  
Someday woman, we'll turn out fine  
Well it's easy to say I'm right  
And so easy to see I'm wrong  
Someday woman, we'll get along

Someday (someday) our hearts will come together (will come together girl)  
We'll live this dream forever (someday we will)  
We'll see all we've been through (you know it's true)
