

To Each His Own

America

To each his own it's plain to see
To walk alone you have to be
It's all for you and all for me
You'll see

I'm gonna miss you, yes, I will
No matter who you are, I'll love you still
For my life is my conscience, the seeds I sow
I just wanted to let you know

Familiar faces that I've seen
Turnin' red and turnin' green
They just got caught with writing on their sleeve
I guess I'll leave

I'm gonna miss you, yes, I will
No matter who you are, I'll love you still
Will you cancel my papers and lock the door
'Cause I ain't gonna be 'round no more?

Will I make it through the summer
Breaking ties with the old and new?
Losing one just gains another
There is nothing I can do

I'm gonna miss you, yes, I will
No matter who you are I'll love you still
For my life is my conscience, the seeds I sow
And I just wanted to let you know

I'm gonna miss you, yes, I will
No matter who you are, I'll love you still
Will you cancel my papers and lock the door
'Cause I ain't gonna be 'round no more

I'm gonna miss you, yes, I will
No matter who you are I'll love you still
For my life is my conscience, the seeds I sow
And I just wanted to let you know
