

Lonely Ain't Easy

American Aquarium

Lonely ain't easy
Lonely ain't kind
Lonely won't leave me
She's a good friend of mine
She's there every morning
She's in the bed when I get home
Sometimes I wish lonely
Would just leave me alone
Well lonely ain't easy
Lonely ain't kind
Lonely won't leave me
She's a good friend of mine
She's there every morning
She's in the bed when I get home
Sometimes I wish lonely
Would just leave me alone
Lonely ain't easy
Lonely ain't kind
Lonely won't leave me
She's a good friend of mine
She's there every morning
She's in the bed when I get home
Sometimes I wish lonely
Would just leave me alone
