

Another Perfect Day

American Hi-Fi

I'm holding on
Waiting for your call
It's simple but I can't explain this
I'm sinking down
I feel like I could die
I'm falling off, I don't know why

I still believe it when you say
It's another perfect day, another perfect day
I still believe it when you say
It's another perfect day, another perfect day

So I might try
To leave it all behind
I know tomorrow's not so bright now
I say goodbye
Cuz nothing good can last
You wearin' thing you're nowhere fast
And to the day

I don't know how
To keep it all inside
But I guess I'll let it slide

I still believe it when you say
It's another perfect day, another perfect day
I still believe it when you say
It's another perfect day, another perfect day

And to the day
I don't know why
I thought that it was real
But I guess it's no big deal

I still believe it when you say
It's another perfect day, another perfect day
I still believe it when you say
It's another perfect day, another perfect day.
