American Hi-Fi

Thats great you look kinda faster,
Kissy Kiss wait for the mister,

How long til I'll be Suffocating?
How long til I'll be....

Don't lie, Wait for the first shot
Midnight the vampire the eyes wide,
digging out for a new kind of low,
staring down on the creatures below...

How long til I'll be Suffocating?
How long til I'll be Suffocating?
How long til I'll be....

Gotta know
Gotta know
Gotta know
Gotta know...

Yeeeeeeeahhhh.....
