

I'm a Fool

American Hi-Fi

Got nothing to loose this time
and I'm bored with the same old lines
I never know what to do or what to say to you
one look and you'll knock me out
you put me on the floor with a ten count
I don't wanna make a scene I gotta make you see
that I've been waiting for a girl like you
and I know there's nothing I could do

R: Don't wanna make you hurt
don't wanna make you feel
like the world ain't on your side
like you're never gonna get it right
no I can't fight I can't sleep at night
just thinking about you girl
I'm a fool for you
yes I am

You've been on my mind
since I saw you walking by
I knew I had to know you better you were everything
but I didn't know what to say
so you just walked away
I couldn't believe what a fool I was to let you go
cause that I've been waiting for a girl like you
and I know there's nothing I could do

R:

Yeah

Then I saw you at the beach talking with my friends
I couldn't believe my eyes it was my lucky day
so I just asked you out to the Forum to see No Doubt
when you said you would go I thought I might explode
cause that I've been waiting for a girl like you
and I know there's nothing I could do

R: (2x)

Yes I am
I am a fool for you
yes I am
I am
