

## It's The Limit

## American Nightmare

Why you messing around with me  
Pushing me away  
Values are changing  
But I can't get caught in it today  
We won't loose/with what got  
'cause we'll just fool sit and watch it all rot!

Keep your ideas  
But keep your distance from me  
Keep off my back 'cause of the things you do  
I DON'T WANNA SEE!  
I DON'T WANNA SEE!  
I DON'T WANNA SEE!  
I DON'T WANNA SEE!  
I DON'T WANNA SEE!

Wanna see how far I can go  
Test my patience see what I know  
Just not happy with nothing to do  
Getting bold when there is more than two!
