It's The Limit

American Nightmare

```
Why you messing around with me
Pushing me away
Values are changing
But I can't get caught in it today
We won't loose/with what got
'cause we'll just fool sit and watch it all rot!
Keep your ideas
```

Reep your ideas

But keep your distance from me

Keep off my back 'cause of the things you do

I DON'T WANNA SEE!

Wanna see how far I can go
Test my patience see what I know
Just not happy with nothing to do
Getting bold when there is more than two!
