

# Dangerous

Amerie

Whatcha doin' to me?

I guess I'm gonna tell you, don't know if I should  
I don't do it everyday, so baby, listen good  
It's so hard to admit it but I just wanna get with it  
You caught my interest, baby, now I'm so willin'

Little too aggressive but it's kinda fly  
'Cause you got the swagger like no other guy  
I don't know how you do it but there must be something to it  
'Cause whatcha doin' to me I just can't shake it  
Whatcha doin' to me?

In the back of my mind I know I'm wasting my time  
You put it all on the line 'cause it's dangerous  
No matter how hard I try about what I feel inside  
I can't do anything to contain this

I keep looking at you 'cause I don't know what to do  
About controlling myself but I like it  
But I know the game that I'm playin'  
I can't win and it's so dangerous

No, no, no, no, no, no, no, so dangerous  
No, no, no, no, no, no, no, so dangerous

I bet you must be thinkin' that you got me stuck  
Drinking all your words down, up and got me drunk  
And I got to admit it you got me thinkin' for reasons  
For me to fall back and give in and let go  
But I can't do it, no, I can't do it, no

In the back of my mind I know I'm wasting my time  
You put it all on the line 'cause it's dangerous  
No matter how hard I try about what I feel inside  
I can't do anything to contain this

I keep looking at you 'cause I don't know what to do  
About controlling myself but I like it  
But I know the game that I'm playin'  
I can't win and it's so dangerous

No, no, no, no, no, no, no, so dangerous  
No, no, no, no, no, no, no, now talk to me  
Talk to me, talk to me, talk to me, just talk to me

In the back of my mind I know I'm wasting my time  
You put it all on the line 'cause it's dangerous  
No matter how hard I try about what I feel inside  
I can't do anything to contain this

I keep looking at you 'cause I don't know what to do  
About controlling myself but I like it  
But I know the game that I'm playin'  
I can't win and it's so dangerous

In the back of my mind I know I'm wasting my time

So dangerous  
No matter how hard I try about what I feel inside  
Can't do anything to contain this

I keep looking at you 'cause I don't know what to do  
No control but I like it  
But I know the game that I'm playin'  
I can't win and it's so dangerous
