

Just What I Needed To See

Amerie

And I Remember Giving You My Heart, Mind, Body And Soul
Babe Such A Price To Pay
For The Kisses Of Your Lips And Warm Embrace
And In My Average Reign Your Love Would Forever Be
My All And All
But Even I Never Thought Id Dreamed How I Just Might React
When I Came In The Door And You Jumped Back
Holding Her In Your Arms
But Guess What Baby
That's Just What I Needed To See
My Heart Broke Right In Front Of Me
Would You Believe, Maybe Now
I'll Let You Go Away, Just So Far Away
Never Did Want Reality
There Was No Way Ever This Love Could Be
That Was Just What I Needed To See
And As Your Eyes Dropped To The Floor
You Seemed So Insecure
Its Written All Over Your Face
And The Love We Had Starts Flashing By
I Guess I Found Out Just In Time
Oh Why Oh Why
Did I Choose To Stay So Blind
Did I Choose To Stay So Blind
Ooh
That's Just What I Needed To See
My Heart Broke Right In Front Of Me
Would You Believe, Maybe Now
I'll Let You Go Away, Just So Far Away
Never Did Want Reality
There Was No Way Ever This Love Could Be
That Was Just What I Needed To See
All My Fantasies Flew Away
Flew Away
Ohhhh
All My Fantasies Flew Away
Where Did It Go,
Where Did It Go,
Where Did It Go?
(Oh No)
Far Away...
That's Just What I Needed To See
My Heart Broke Right In Front Of Me
Would You Believe, Maybe Now
I'll Let You Go Away, Just So Far Away
Never Did Want Reality
There Was No Way Ever This Love Could Be
That Was Just What I Needed To See
That's Just What I Needed To See
My Heart Broke Right In Front Of Me
Would You Believe, Maybe Now
I'll Let You Go Away, Just So Far Away
Never Did Want Reality
There Was No Way Ever This Love Could Be
That Was Just What I Needed To See
