

Not the Only One

Amerie

Huh, huh, huh, huh

Why can't you just tell the truth
Why is it so hard for you
Tell me what you think when you mess around
Do you see my face when she's going down

If you really knew what I know 'bout you
You'd be surprised couldn't look me in my eyes

Sitting home alone waiting by the phone
Oh no, not me.
You're not the only one creeping

Not the only one
Don't know why I'm messin' with ya
It's why you do the things you do
But I can't help but love ya
I don't know why I'm messin with you

Why can't you look me in my face
Why can't you say that you've been at her place
You hurry wash your clothes, the scent of her perfume
I already know 'cause I do it too

If you really knew what I know 'bout you
You'd be surprised couldn't look me in my eyes

Sittin home alone waitin by the phone
Oh no, not me.
You're not the only one creeping

Not the only
I don't know why I'm messin' with ya
It's why you do the things you do
But I can't help but love you
I don't know why I'm messing with you

(you) you say that you love me but you're lying to me
(you) you know that I love you but you're sharing me too

Not the only one
Don't know why I'm messin' with ya
It's why you do the things you do
But I can't help but love ya
I don't know why I'm messin with you

Huh, huh, huh, huh
