

# Talkin' About

Amerie

Oh, oh, oh, oh, yeah

Been so fed up with that little game  
Mis-communication I wish I had more to blame you (yeah)  
It's all on searchin' so when you get close to me  
It's what I've been waiting on finally I can breathe (yeah)

That's what I'm talkin' about  
Every little kiss (that's what I'm talkin about)  
Every little touch (that's what I'm talkin' about)  
Don't know what it is (that's what I'm talkin' about)  
It's so serious

That's what I'm talkin' about  
That's what I'm talkin' about  
That's what I'm talkin' about  
That's what I'm talkin' about  
Every time you're around  
Every time you come around  
That's what I'm talkin' about  
That's what I'm talkin' about

Yeah, yeah, yeah, yeah, yeah

So many have tried before and I've waited patiently  
In the end it's always wrong it's so hard for me to believe  
That you can keep it goin' couldn't stop if I wanted to  
So baby if you take me hand everyday can feel brand new  
Even when we disagree ain't no need to get loud  
Everything is worth a kiss baby that's what I'm talkin' about

That's what I'm talkin' about  
Every little kiss (that's what I'm talkin about)  
Every little touch (that's what I'm talkin' about)  
Don't know what it is (that's what I'm talkin' about)  
It's so serious

Hey, hey, hey, hey

Boy what you do to me (hey)  
So much to say about you (hey)  
That's what I'm talkin' about (hey)  
So glad you came around (yeah)

Yeah, yeah, yeah, yeah, yeah
