## Talkin' to Me

Funny how it's hard to find the words sometimes you know Wishin we could read minds Don't wanna let our feelings show So even if you say you don't understand I'm willing to give as much time as I can Every time our eyes meet

Every time our eyes meet Be talkin talkin talkin to me (talkin to me) Talkin talkin talkin talkin to me Just ain't no need for words to speak (oh) Cause every time Be talkin talkin to me Be talkin talkin to me (Talkin to me)

Your always actin so composed and cool Never got to many words for me (To many words) You always turn your head and make sure I see (Just to make sure) Baby ain't nothin' wrong with the love That you and I dream of So sweet Your actions say more than your lips can speak My friends say that they just can't see (They just can't see) How a love unspoken can be so deep (Can be so deep) And every time that you look my way I see What your heart wants to say to me

Every time our eyes meet (oh yeah) Be talkin talkin talkin to me (Talkin to me) Talkin talkin talkin to me Just ain't no need for words to speak (Ain't no need for words) Cause every time Be talkin talkin to me (no no no no no) Be talkin talkin talkin to me

Every time our eyes meet (My eyes meet your, meet yours) Be talkin talkin talkin talkin to me Talkin talkin talkin talkin to me (To me) Just ain't no need for words to speak Cause every time Be talkin talkin talkin to me (Every touch you give is like your talkin to m e) Be talkin talkin talkin to me

oh yeah yeah oh Talkin talkin talkin talkin to me oh whoa yeah talkin talkin talkin to me

Every time our eyes meet (Every time) Be talkin talkin talkin to me Talkin talkin talkin to me (oh yeah oh) Just ain't no need for words to speak Cause every time (I hear you baby callin me just ain't no need for words) Be talkin talkin to me Be talkin talkin to me
