Why are you the one I can't lose What's the reason that I'm here again it's crazy I keep waiting but I'm foolish cause you'll never change Wasted all my time and here I am still crying over you Over you Loving you was so hard (But I keep Trying Baby) I just end of with scars (Cause I keep fighting Baby) Loving you is like a battle that I can't afford to lose I can't lose But I'm asking you Why are you the only thing that I care about Why are you the only thing that I care about Why are you the only thing I think about Why are you the only one Baby you're no good for me, no You can be, You can be, You can, You can be the only one You can be, You can be, You can, You can be the only one And though I hate it Hate it that I can't forget you I try my best but I'm a mess cause I can't shake you Wanna call ya but my pride won't let it get the best of me The best of me, no Loving you was so hard (But I keep Trying Baby) I just end of with scars (Cause I keep fighting Baby) Loving you is like a battle that I can't afford to lose I can't lose But I'm asking you Why are you the only thing that I care about Why are you the only thing that I care about Why are you the only thing I think about Why are you the only one Baby you're no good for me, no You can be, You can be, You can, You can be the only one You can be, You can be, You can, You can be the only one No, can't believe that I'm still crying And no, It ain't because I ain't been trying (Losing sleep cause I can't help but think about the past) And how we didn't last How we didn't last Why are you the only thing that I care about

Why are you the only thing that I care about

Why are you the only thing I think about \mbox{Why} are you the only one

Baby you're no good for me, no
You can be, You can be, You can, You can be the only one
You can be, You can be, You can, You can be the only one

Why are you the only thing that I care about Why are you the only thing that I care about Why are you the only thing I think about Why are you the only one

Baby you're no good for me, no
You can be, You can be, You can, You can be the only one
You can be, You can be, You can, You can be the only one
