

Asator

Amon Amarth

Thunder arose across the plains
Thor rides in pouring rain
He rides to Jotumheim to fight
Lightning strikes when Mjollnir cries

Fire! burning in his eyes
Fire! his head explodes to the lightning strike
Fire! burning in his eyes
Fire! his head explodes, see the lightning strike

Lightning cracks the blackend sky
Hear the thunder champion ride
All the men with hearts of war
Ride the path of mighty Thor

Son of thunder!
Lighting strikes
Son of thunder!
Son of thunder!
Thor Arise!
Son of thunder!

Son Of Oden
Thundergod
Master of War
Asator!

Fire! burning in these lands
Fire! his head explodes, see the lightning strike
Fire! burning in his eyes
Fire! his head explodes, see the lightning strike
