

## Asator

Amon Amarth

Thunder arose across the plains  
Thor rides in pouring rain  
He rides to Jotumheim to fight  
Lightning strikes when Mjollnir cries

Fire! burning in his eyes  
Fire! his head explodes to the lightning strike  
Fire! burning in his eyes  
Fire! his head explodes, see the lightning strike

Lightning cracks the blackend sky  
Hear the thunder champion ride  
All the men with hearts of war  
Ride the path of mighty Thor

Son of thunder!  
Lighting strikes  
Son of thunder!  
Son of thunder!  
Thor Arise!  
Son of thunder!

Son Of Oden  
Thundergod  
Master of War  
Asator!

Fire! burning in these lands  
Fire! his head explodes, see the lightning strike  
Fire! burning in his eyes  
Fire! his head explodes, see the lightning strike
