Death in Fire

Amon Amarth

The wait is soon at end Always charge never bend Morning is here, make your stand Live for honor, glory, death in fire!

Total war is here
Face it without fear
Age of sword, age of spear
Fight for honor, glory, death in fire!

See the fire rise Flames are raging high Soon all will burn and die Burn for honor, glory, death in fire!

Storm of lethal flames
Only death remains
Ragnaræk is closing in
Die for honor, glory, death in fire!

Forces of chaos are on the move Everyone, choose your side And know the day is coming soon The day for all to die

The day is here when Bifrost breaks
Nor sun or moon will rise
When the dead rise from their graves
and Surtur spreads his fire

All you know will wither away And sink in to the sea A new world will be born one day Where everyone is free

Total war is here, face it without fear Age of sword, age of spear Fight for honor, glory, death in fire!

Storm of lethal flames
Only death remains - Ragnaræk is our fate
Die for honor, die for glory
Die, death in fire!
