

# Guardians of Asgaard

Amon Amarth

Standing firm against all odds  
Guarding the most sacred home  
We protect the realm of gods  
Our destiny is carved in stone

Three evil giants  
Of the south  
Are constantly on the attack

With lies and fire  
From their mouths  
But we always send them back

We are Brothers  
Of the north  
Who are sharing the all father's blood

Marching down the left hand path  
We are spawned by Asagods  
'Cause we are!

We're the guardians  
Guardians of Asgaard  
Guardians  
Guardians of Asgaard  
Guardians  
Of Asgaard

We have faced our enemies  
A thousand times or even more

Still they cannot  
Make us kneel  
One thousand years of constant war  
The giants look for  
Any chance  
To bring down Asgaard's mighty walls  
No matter what they send at us  
We will never let it fall  
'Cause we are!

We're the guardians  
Guardians of Asgaard  
Guardians  
Guardians of Asgaard  
Guardians  
Of Asgaard

Standing firm  
Against all odds  
We are guarding  
Asgård's mighty walls  
We protect  
The realm of Asagods  
No matter  
What they send at us  
We will never

Let them fall

We're the guardians  
Guardians of Asgaard  
Guardians
