

Kitty Cat

Amon Tobin

Dirty dirty birds
Eating dirty worms
use your beak
until you sing
Dirty dirty songs.

Crawl upon the ground
With your dirty claws
tap your feet
Like the rain
Catch it 'fore it's gone!

Kitty kitty cat
Where'd you get that?
Let it be Peacefully.
Feather for a hat.

You just made a sound
That I've never heard before
little things(questionable line)
Hop around
Out the back door

Oooooooooo ooooooooooooo
