## The Way

Amorphis

Forging the future from the timeless stone Oh let me know how far I can go Answering the questions thet no one ever asks Float through the sea of madness And face the everlasting task

So lonely to wander So sad to be alone In the mist of the unknown Trying to fool myself with dreams that never come true So hard to stand my ground Never again will I fail

Will you tell me not to wait Tell me to live for today

As the flowers wither I will forget my pain Since the stars have shone The devil has shown me the way

Will you tell me not to wait Tell me to live for today
