

# Dreamin'

Amos Lee

My soul,  
is as open as the sky.  
Often time,  
it's just as blue.  
People tell me,  
I need to keep on dreamin'.  
That's just what I'm gonna do.

Now everybody,  
wanna treat me like a house fly.  
Turn me around,  
and tell me to shoo.  
Wanna tell me,  
keep on dreamin'.  
That's just what I'm gonna do.

'Cause every moral,  
has a story.  
Every hand needs a glow.  
Sometimes it's full of glory.  
Oh, but mostly, it's for the love.  
It's the love..  
Mmm..

It's the love.  
It's the love that pulls me through.  
'Cause when they tell me,  
keep on dreamin'.  
That's just what I'm, I'm gonna, that's just what I'm gonna do.
