

All The Money In The World

Amy Diamond

All the money in the world,
Couldn't change what I feel about you.
All the money in the world,
Couldn't bring me the joy that you do.

When, life hurts you're worth so much more to me.
Now, I guess the best things in life are free.
And all the money in the world,
All the money in the world,

Couldn't buy me happiness.
I'm happy as it is.
If love still counts for somethin',
If love's the greatest gift,
Then, I'm already, I'm already rich,

All the money in the world,
Couldn't change what I feel about you.
When I get a little lost,
Or afraid, it is you I turn to.

And I'm so glad to have someone there to trust.
And I would not,
I could not ever trade your love.
For all the money in the world,
All the money in the world,

Couldn't buy me happiness.
I'm happy as it is.
If love still counts for somethin',
If love's the greatest gift,
Then I'm already, I'm already rich.

And I'm so glad to have someone there to trust.
And I would not,
I could not ever trade your love.
For all the money in the world.

All the money in the world,
Couldn't change what I feel about you.
All the money in the world,
Couldn't bring me the joy that you do.

All the money in the world.
All the money in the world.
