

Go!

Amy Diamond

Fire up the engine - switch another gear
While the road is bending - we don't even steer
So far to go - we move too slow
And you know it, yeah you know it....
Running all the redlights - trying to get ahead
Turning on the headlights - hanging by a thread
So far to go - we move too slow
And you know it, yeah you know it....

Now the brakes are quitting - we're missing the stops
Got a one-way ticket - we're not getting off...

Go!

Na na na na na na na na na na na na na na na na na
Na na na na na na na na na na na na na na na na na

Pushing up the limit - breaking all the rules
Caught up in a spin with very little fuel
So far to go - we move too slow
And you know it, yeah you know it....

Now the wheels are running - we're having a blast
Put your seat belt on and - step on the gas

Chorus *2

Now the brakes are quitting - we're missing the stops
Got a one-way ticket - we're not getting off...
And you know it *2

Redlights... Turning on the headlights
So far to go - we move too slow
Better find the highway - Try another lane
We've hit so many corners, they're starting to look the same

Chorus repeat 'til end
