

# Heartbeats

Amy Diamond

I can't figure out  
Is it meant to be this way  
Easy words so hard to say  
I can't live without  
Knowing how you feel  
Know if this is real

Tell me am I mistaken  
Cause I don't have another heart for breakin'  
Please don't let me go  
I just wanna stay  
Can't you feel my heartbeats  
Giving me away

I just want to know  
If you too feel afraid  
I can feel your heartbeats  
Giving you away  
Giving us away

I can't understand  
How it's making sense  
That we put up such defense  
When all you need to know  
No matter what you do  
I'm just as scared as you

Tell me am I mistaken  
Cause I don't have another heart for breakin'  
Please don't let me go  
I just wanna stay  
Can't you feel my heartbeats  
Giving me away

I just want to know  
If you too feel afraid  
I can feel your heartbeats  
Giving you away  
Giving us away

Please don't let me go  
I just wanna stay  
Can't you feel my heartbeats  
Giving me away

I just want to know  
If you too feel afraid  
I can feel your heartbeats  
Giving you away  
Giving us away
