

Higher Ground

Amy Diamond

Oh oooh oooh
Oh oooh oooh
Oh oooh oooh oooh oooh

Oh oooh oooh
Oh oooh oooh
Oh oooh oooh oooh oooh

Sometimes it feels like I am dreaming
And I am somewhere else far, far away
It's like I'm standing upon a mountain
And for a minute I'm gone for the day
Looking for an air balloon
That could take me up this afternoon
Leave before it get's too dark
Here in my heart

Come run away now
Keep trying, keep flying
To the mighty rainbow
Keep hunting high and low
Come fly away now
Together, forever
You know that nothing's gonna keep us down
Let's fly away into a higher ground

Oh oooh oooh
Oh oooh oooh
Oh oooh oooh oooh oooh
Into a higher ground

Oh oooh oooh
Oh oooh oooh
Oh oooh oooh oooh oooh

The grass is greener
The air is cleaner
Or so it seems to be
On the other side
You know it's different
Summer like winter
But it doesn't have to be
As two worlds collide

Everything is beautiful
And nothing should be impossible, no no
Leave before it get's too dark
Here in my heart

Come run away now
Keep trying, keep flying
To the mighty rainbow
Keep hunting high and low
Come fly away now
Together, forever
You know that nothing's gonna keep us down
Let's fly away into a higher ground

Oh ooh ooh
Oh ooh ooh
Oh ooh ooh ooh ooh
Into a higher ground

Oh ooh ooh
Oh ooh ooh
Oh ooh ooh ooh ooh

It's getting late
And you're not alone
Come on let's take a ride
Into the great unknown
I know it's hard
To be worlds apart
But I will show you the way
To a higher ground
To a higher ground

Come run away now
Keep trying, keep flying
To the mighty rainbow
Keep hunting high and low
Come fly away now
Together, forever
You know that nothing's gonna keep us down
Let's fly away into a higher ground

Oh ooh ooh
Oh ooh ooh
Oh ooh ooh ooh ooh
Into a higher ground

Oh ooh ooh
Oh ooh ooh
Oh ooh ooh ooh ooh
Into a higher ground
