

Is It Love?

Amy Diamond

I've gone from lukewarm to hot
I put my money on a longshot
Went from a little to a lot
I think I've stumbled on a goldpot
I'm feeling good about myself
And you got something to do with it
But I'm not in it for my health
I think we're onto something else

Is it love? Is it love, is it love that I'm feelin'?
Is it love? Could you pinch me to see if I'm dreamin'
Out of the dark, into the light
Wild as the wind, strong as the tide
Is it love
Is this love that I'm feelin'?

I pulled a rabbit out the hat
I never knew that I could do that
From where I've been to where I'm at
You couldn't pin it on road map
Together makes a better view
Now that's a funny way to see it
You look at me, I look at you
I think we're onto something new

Is it love? Is it love, is it love that I'm feelin'?
Is it love? Could you pinch me to see if I'm dreamin'?'
Out of the dark, into the light
Wild as the wind, strong as the tide
Is it love
Is this love that I'm feelin'?

That I'm feelin'?'
Could you pinch me to see if I'm dreamin'?'
Is it love, is it love that I'm feelin'?'
Dunno what and what not to believe in
Is it love, love
Is it love?

Is it love? Is it love that I'm feelin'?'
Is it love? Could you pinch me to see if I'm dreamin'?'
Out of the dark, into the light
Wild as the wind, strong as the tide
Is it love
Is this love that I'm feelin'?'
