

Yellow Shirt

Amy Diamond

Come to me closer really closer
Dont be a false sign
Your so gorgeous really gorgeous
And I have no doubt
Im wondering right now
Why i feel upside down

The yellow shirt
Its inside us
Its once in us
To stay in touch
To look at you
As you walk past
You're beautiful
Behind your mask

Cus I met you at the market
Taking the same book
And my hand touched yours
Ohh the yellow cover
My heartbeat you took
I thought you were so cool

The yellow shirt
Its inside us
Its once in us
To stay in touch
To look at you
As you walk past
You're beautiful
Behind your mask

(Yeah yeah ohoooooooo)

Come to me closer really closer
Dont be a false sign
Your so gorgeous really gorgeous
And I have no doubt

The yellow shirt
(Shiiiiiiiirt)
Its inside us
Its once in us
To stay in touch
To look at you
As you walk past
You're beautiful
Behind your mask

(Yellow shirt)
(Its inside us)
Its once in us
To stay in touch
To look at you
As you walk past
You're beautiful
(Beautiful)

Behind your mask
(Achooooo, ooooohooo)
