

## All I Ever Have To Be

Amy Grant

When the weight of all my dreams  
Is resting heavy on my head,  
And the thoughtful words of health and hope  
Have all been nicely said.

But I'm still hurting,  
Wondering if I'll ever be  
The one I think I am.

I think I am.

Then you gently re-remind me  
That you've made me from the first,  
And the more I try to be the best  
The more I get the worst.

And I realize the good in me,  
Is only there because of who you are.

Who you are...

And all I ever have to be  
Is what you've made me.  
Any more or less would be a step  
Out of your plan.

As you daily recreate me,  
Help me always keep in mind  
That I only have to do  
What I can find.

And all I ever have to be  
All I have to be  
All I ever have to be  
Is what you've made me.
