

# Don't Give Up On Me

Amy Grant

Don't give up on me  
Though I know at times it's hard to see  
All my many weaknesses  
Might blind you, I must remind you

Don't give up on me  
Even when I act so selfishly  
All my views are all I see  
Yes, I know there's still so much of me

But God is working constantly  
To shape me, He'll remake me

Don't give up on me, I'm gonna make it.  
I know it's hard for you to see  
Don't give up on me, I couldn't take it

If a part of me should keep you from seeing  
The part of me that you'd start to believe in  
I'm changin' so please don't give up on me

Don't give up on me  
Even when I fail so miserably  
Time and again I know  
I stumble, it makes me humble

Don't give up on me but never let your love to be  
Hanging on the things you see  
Counting all the times I fail to be  
Everything you want from me  
I'm trying, hear me crying

Don't give up on me, I'm gonna make it  
I know it's hard for you to see  
Don't give up on me, I couldn't take it

If a part of me should keep you from seeing  
The part of me that you'd start to believe in  
I'm changin' so please don't give up on me

I know much more than you  
How very weak I am  
But He believes in me  
And so I know you can

When all my views are all I see  
Then I know there's still so much of me  
But God is working constantly  
To shape me, He'll remake me

Don't give up on me, I'm gonna make it  
I know it's hard for you to see  
Don't give up on me, I couldn't take it

If a part of me should keep you from seeing  
The part of me that you'd start to believe in  
I'm changin' so please don't give up on me

Don't give up on me, I'm gonna make it  
I know it's hard for you to see  
Don't give up on me, I couldn't take it

If a part of me should keep you from seeing  
The part of me that you'd start to believe in  
I'm changin' so please don't give up on me
