

# I Don't Know Why

Amy Grant

This is one of those moments  
When all that really matters  
Is crystal clear  
We are woven together  
By whatever threads of life that have  
Brought Us Here  
We are stripped of all layers  
We are getting to the core  
Tell me something real and nothing more

'Cause I don't know why  
I don't know how  
And I don't know where  
Maybe all I know is now

So I'm here between the bookends  
Of everything that was and  
What will be  
There's a wealth of information  
But not so many answers  
It seems to me  
So I face the unfamiliar  
And nothing is clear  
Only blinding faith can carry me from here

'Cause I don't know why  
I don't know how  
And I don't know where  
Maybe all I know is now

Hold my hand and hold this moment  
Time sure feels precious don't it  
Life is always changing this I know

'Cause I don't know why  
I don't know how  
And I don't know where  
Maybe all I know is now
