

Love Has a Hold On Me

Amy Grant

I have found a perfect mystery
Love has a hold on me
Long before my life had come to be
Love had a hold on me
Love has a hold on me

Where do I come from
What does life mean
Is it not to know, the one who made me

As I'm looking down the road ahead
Love has a hold on me
Someday when I breathe my dying breath
Love has a hold on me
Love has a hold on me

Where will I go
When this life is through
Back into the light that made me and you

Love has a hold on me
Something opened up my eyes to see
Love has a hold on me
Love has a hold on me

I don't have answers to all the questions
Running inside of my mind
But I can't help believe that
Understanding comes in time

Love has a hold on me
Something opened up my eyes to see
Love has a hold on me
Love has a hold on me

If I run, if I hide, I know inside
(Your love has a hold on me)
Tell me, yes, tell me, no, my heart will follow
(Your love has a hold on me)

If I run, if I hide
(Your love has a hold on me)
Your love has a hold on me
(Your love has a hold on me)
Hold on me
