

Love of Another Kind

Amy Grant

They say love is cruel, they say love is rather fragile
But I've found in You a love of another kind
They say love brings hurt I say love brings healing
Understanding first it's a love of another kind

The love I know is a love so few discover
They need to know Jesus' love is like no other

They say love won't last I say love is never ending
'Cause in You I have a love of another kind
They would change their tune they would add another measure
If they only knew this love of another kind

The love I know is a love so few discover
They need to know Jesus' love is like no other

They say love is cruel, they say love is rather fragile
But I've found in You a love of another kind
They say love brings hurt I say love brings healing
Understanding first it's a love of another kind

They say love won't last I say love is never ending
'Cause in You I have a love of another kind
They would change their tune they would add another measure
If they only knew this love of another kind

Love of another kind
The love of another kind
The love of another kind
The love of another, the love of another kind

Give me love this is love
(This is love)
Another kind, another kind of love

This is love
(This is love)
You need another kind of love
Another kind, another kind of love

Another kind of love
This is love
(Give me love)
Another kind, another kind of love
