

Overnight

Amy Grant

So, you've handed in your resignation,
contemplatin' why nothin' turns out right.
A little fed up with all the disappointments,
so what's the point in wastin' any time?

It's only temporary, so what's your hurry?
No need to worry. Don't you know that,

R: If it all just happened overnight,
you wouldn't know how much it means?
Ye-ah
If it all just happened overnight,
you would never learn to believe
in what you cannot see,
oo-oh
what you cannot see.

I feel like pace is at a standstill.
Do I wait till it falls into my hands?
A long highway ahead, gettin' started.
Steady hearted, is what I think I am.

There's somethin' to be said for experience.
Who knows what's ahead. Keep on goin'.

R:

(Take it a day, a day at a time)
One foot in front of the other,
(Take it a day, a day at a time)
No need to hurry, hurry.
(Take it a day, a day at a time)
It won't happen over night.
It won't happen over night.

Have a little faith,
(Have a little faith)
Must appreciate,
(Must appreciate)
Every single day,
Don't give up, no.
