

# What a Difference You've Made

Amy Grant

What a difference you've made in my life.  
What a difference you've made in my life.  
You're my sunshine day and night.  
Oh, what a difference you've made  
In my life.

What a change you have made in my heart.  
What a change you have made in my heart.  
You replaced all the broken parts.  
Oh, what a change you have made  
In my heart.

Love to me was just a word in a song  
That had been way overused.  
But you gave love a meaning,  
So I joined in the singing,  
That's why I wanna spread the news.

What a difference you've made in my life.  
What a difference you've made in my life.  
You're my sunshine day and night.  
Oh, what a difference you've made,  
(what a difference you've made,)  
What a difference you've made in my life.

What a difference you've made in my life.  
What a difference you've made in my life.  
You're my sunshine day and night.  
What a difference you've made.

(What a difference you've made in my life.)  
What a difference you've made in my life.  
(What a difference you've made in my life.)  
Difference you've made in my life.  
(You're my sunshine day and night.)  
What a difference you've made.

(What a difference you've made in my life.)  
Difference you've made in my life.  
(Difference you've made in my life.)  
You're my sunshine day and night.  
What a difference you've made.

(What a difference you've made in my life.)  
You've made a difference in me.  
(What a difference you've made in my life.)  
You've made a change in my life.  
You're my sunshine day and night.
